Prospector ~ Royal Gorge ~ Yampa Valley [HO Scale]
RUN 2**

HO SCALE

We've had many requests from those who missed out on our D&RGW Prospector/Royal Gorge/Yampa Valley passenger cars, particularly the 4-stripe earlier versions. The Division Point is offering a limited run of 4-striped Rio Grande cars. We will also offer a later SP marked version of the Anschutz private car "Kansas" and a later version of the Baggage/Dormitory/Coach cars that ran in the "Zephyr" consist.
