

EMD's Late "F" Diesels

F-2s, F-3, F-7s, F-9s

Run 2

Scheduled:
July 2007

HO Scale

We have decided to "rush" the final versions of our EMD F project into production. Built by Ajin Precision to run silky-smooth, these will also be "gems". At the same time, we are doing a similar F project featuring Canadian roads.
